

★ The Episcopal Diocese of Texas

Opt-Out Photograph Release Form

The term “photograph” as used herein encompasses both still photographs and motion picture/videography footage.

The Episcopal Diocese of Texas often takes photographs of students, staff, and parishioners for the purpose of promoting the diocese and/or its institutions.

This form allows participants/guardians the option to not allow the diocese to capture photographs of them and/or their minor children for the purpose of promoting the Episcopal Diocese of Texas and its institutions. Failure to exercise this option, releases and discharges the Episcopal Diocese of Texas from any and all claims arising out of the use of photographs, video footage, or any right that the parent or minor may have.

To exercise this option, check the box below and provide requested information to Episcopal Diocese of Texas communications staff through electronic submission at connected@epicenter.org.

Participants are responsible for communicating their opt-out presence to the communications team at the Episcopal Diocese of Texas. Participants are further wholly responsible for not being captured on photos taken by diocesan staff, varied diocesan institution staff, parish or congregation photographers, or other contracted photographers hired on behalf of the diocese or at events where photos taken may be shared with the diocese. Participants are also responsible for their exclusion of being captured on video by videographers capturing footage for the purposes of bringing visibility of the diocese and diocesan events to the public-at-large.

I do not give the Episcopal Diocese of Texas permission to take photographs of me/the minor named below or photographs in which I/the minor may be involved with others for the purpose of promoting the diocese. I, _____, have read the above statement(s) and fully understand the content. Further, I will ensure that I am not captured on photographs and or in video footage at events in which photos or video footage may be shared with diocesan staff. Should I be captured, I will contact the diocesan staff immediately via email at connected@epicenter.org.
